

# Loss Prevention Made Simple.

Thermo-Simple 1 & WiDAQ Wireless

- ✦ **No Wires = More Data For Less Money**
- ✦ **Unlimited Case Relocation Flexibility**
- ✦ **At a Glance Color Condition Indicators**

## Follow These Two Easy Steps:

1. Replace the standard thermometer with a Thermo-Simple
2. Replace your wired EMS installation with a WiDAQ™ Wireless EMS interface

It's as easy as that! A more reliable, flexible and redundant temperature monitoring and control solution
